Finish your home, your way.

Beauty truly is in the details. That’s why Variform by Ply Gem offers a full line of matching accessories in a variety of colors and styles to complete the look of your home.

From corners to columns, guttering to soffits, door surrounds to fascia, Variform has all the details you need to define the look you want for your home. And with our enhancements — Leaf Relief® by Ply Gem gutter protection, Monticello Columns® by Ply Gem and Richwood® by Ply Gem exterior finishings — you’ll enjoy worry-free maintenance and a beautiful finish down to the last detail.
Aluminum Exterior Products: Beautiful Fundamentals

Variform® by Ply Gem offers a great selection of aluminum accessories in a wide variety of colors and styles to finish your home, your way. Our aluminum product lines offer everything you need to define your home—minus the maintenance. Soffit, fascia, rainware, Leaf Relief® by Ply Gem, siding, accessories, trim coil and Monticello® Columns by Ply Gem—all products constructed from premium-grade aluminum protected by a durable mar-resistant finish. Our aluminum products withstand the elements and enhance the style of any home for years to come.

Best of all, you are buying high quality, warranted building materials from Variform—one of the nation’s oldest and largest manufacturers of vinyl siding and exterior design products.

Beauty and Performance for Your Home and Our Planet

Variform by Ply Gem can help you meet your sustainable building goals and earn points in leading green building certification programs. Our products offer features that positively contribute to sustainable building practices, improved energy efficiency or lifecycle benefits of homes. All are important aspects of sustainable building and reflect Variform’s contribution to the Ply Gem Enviro initiative.

- **Sustainable Resources:**
  - Our metal products are made from an alloy that contains recycled content.
  - Ply Gem facilities reuse and recycle all post-product scrap material, pallets and packaging material, reducing raw material needs and landfill use.

- **Energy Efficiency:**
  - Vinyl siding requires less energy to manufacture per square foot than brick and mortar.¹
  - Variform CSL 600® Insulated Vinyl Siding adds up to an additional R4 of insulation to exterior walls, increasing overall wall system R-Value by up to 26%.

- **Lifecycle Benefits of Homes:**
  - When installed properly and under normal use, our products should never require painting or staining. They won’t crack, peel, blister, or rot.
  - All of our aluminum accessories are easily recyclable. In fact, at the end of its lifecycle in building applications, 100% of the aluminum can be recycled.

Finesse Meets Function

Aluminum soffit from Variform by Ply Gem is functional and elegant. Offered in several style and venting combinations, our panels are designed to create positive air flow and prevent moisture buildup. Suitable for porch ceilings, eaves, roof overhangs and porte-cochere applications, our soffit is offered in variety of styles and colors, making it easy to match with our fascia, rainware and trim coil lines. Variform aluminum soffit brings a complete, classic touch to homes and light commercial buildings.

A Complementary Finish

Variform by Ply Gem premium aluminum fascia is the dependable way to finish soffit applications with flair. Manufactured from .024” gauge material, fascia comes in a variety of styles that color-match our aluminum and vinyl siding products. And, thanks to superior color retention and weathering, our fascia is a final touch that lasts.

- 21 traditional colors match or complement Variform by Ply Gem vinyl and metal products
- Smooth or wood-grain finish
- Available in 4”, 6”, 8” and 10” widths
- Double-hemmed and ribbed designs add strength and beauty
- Pre-formed for fast, easy installation

Colors Available:

Essential Elements

Variform by Ply Gem offers a complete line of color-matching accessories that work in harmony with each product in our aluminum program. Designed for durability and ease of installation, you’ll be pleased how well our starter strip, J- and F-channels, and drip edge blend into the overall look and feel of your home.
A Beautifully Defensive Solution

Don’t let your home get caught in the rain. Variform by Ply Gem rainware products systematically provide years of lasting protection. You’ll find a complete line of superior quality gutter and downspout coil, elbows, corners, end caps, drip edge and gutter accessories to whisk away water and eliminate leaks and overflows that can damage your home.

- 28 classic colors that match or coordinate with Variform vinyl and aluminum products
- All components available to complete an effective water removal system

Goodbye Seams!

Variform by Ply Gem gutter coil finishes any standard home with an attractive, smooth and seamless appearance.

- Available in .027” and .032” gauges
- Available in 11.75”, 11.875” and 15” widths

Goodbye Clogs!

Leaf Relief® gutter protection let your gutters do their work without the interference of leaves and debris.

Colors Available:
Two-Coat Acrylic: 10-Year South Florida Corrosion and Fade Testing

Flexibility Meets Function
Cuts Clean, Bends Sharp, Lays Flat
- Meets or exceeds the highest aluminum specifications for grade, hardness, and temper
- Tension-leveled for dimensional accuracy; no ripples, waves or oil canning
- Uniform surface; excellent forming characteristics
- Straight, consistent edges
- 24" width in 50' rolls
- Color library of more than 300 Variform and industry-matching colors

Three Finish Options Offer Superior Performance
- Two-Coat Acrylic:
  - Excellent stain and dirt resistance
  - Mar-resistant formulation reduces jobsite clean-up
  - Two coats for better corrosion protection and superior weatherability
  - Increased resistance to chalking
  - Excellent color retention over many years
  - Improved coating adhesion
- PVC Striated Finish:
  - Thick, tough coating for increased scratch resistance
  - Two coats for better corrosion protection and weatherability
  - Natural woodgrain appearance
  - Easy to clean on the jobsite
- Durapro™ Textured Satin Finish:
  - Superior mar resistance means less waste on the jobsite
  - Stain resistant — pencil marks wipe away
  - Scratch, scrape and tool mark resistant
Classic Elegance

Monticello® Columns by Ply Gem add timeless beauty and function to neo-traditional homes. No quandaries finding the perfect match, because we offer three traditional designs with coordinating caps and bases. The result? A beautifully classic look on the outside; sturdy, high-quality construction on the inside—typically Variform.

- A choice of diameters to meet specific load requirements
- Three accurately styled designs—round fluted, square fluted and paneled
- Most columns available in three colors
- Choose spectacular Corinthian caps to create a truly classic look
- See Variform by Ply Gem Product Guide for complete offering

*Available for 10” round columns
