Welcome to the Variform Metal Program

Variform is one of the largest manufacturers of vinyl siding in North America. We also offer a comprehensive Metal Program that includes soffit, fascia, rainwear, trim coil, metal accessories, and columns. It’s a low-maintenance marriage made in heaven—beautiful siding and durable metal products.

The Variform Metal Program is designed to work together in perfect harmony. Every piece is a part of our flawless color match system. Our Soffit, Fascia, and Rainwear complement any house or siding, and our accessories and trim coil add the right finishing touch. No matter how big your project is, we’ve got the metal product you need, in the color you want.
Complements Any Home

Variform’s Premium Aluminum Soffit takes care of the most difficult-to-reach spots on the exterior of a home – the porch, carport, covered deck, eaves, and overhangs. With a variety of profiles, finishes and air-flow options – there is a product choice that is perfect for your application.

• Available in a Variety of Classic Colors
• Solid, Center Vent, and Fully Vented
• Double, Triple, and Quad Styles Available

You can color match our Premium Aluminum Soffit to any of the fascia, rainwear, and gutter coil in our program, with an outstanding variety of colors and 7 unique styles to choose from. A classic touch for houses or light commercial buildings.
**Fascia**

**The Dependable Choice**

A beautiful house that requires little or no maintenance…who could ask for anything more? Complete the look of your home with Variform’s Premium Aluminum Fascia. Available in a variety of smooth ribbed or woodgrain embossed styles, and traditional colors that easily work with any metal product in our exclusive color match system. Superior color retention and weatherability.

**Metal Accessories**

**The Ultimate Home Accessory**

We carry a complete line of matching accessories that work in color harmony with every part of our Variform Metal Program. Each accessory is designed for durability and ease of installation. You’ll be surprised at how well they fit into the overall look and feel of your home.

- **Classic Colors Complement or Match Variform Metal and Vinyl Products**
- **Accessories Include: Drip Edge, J-Channel, F-Channel and Starter Strips**
- **Made of Durable, Lightweight Aluminum**

**LIFETIME LIMITED WARRANTY**
Don’t Get Caught in the Rain

Variform Rainwear Products protect your home from down pours. We offer a complete line of superior quality gutters, elbows, corners, end caps, and downspouts that whisk the water away and say good-bye to leaks, and messy entryways during rainy weather.

- 18 Classic Colors to Complement or Match Variform Metal and Vinyl Products
- Complete Rainwear System
- Matching Soffit and Fascia

NEW - Larger Downspout for Larger Homes
Our new 3” x 4” downspout allows for twice as much rainwater to flow away from your house as compared to the standard 2” x 3” downspout. That’s a 100% increase in rainwater removal! So you won’t be showered with rain, every time you step out onto your porch. Perfect for larger homes or buildings.

- Available in 18 Classic Colors
- 100% Increase in Rainwater Removal
- Durable, Lightweight Aluminum

Gutter Coil - The Seamless Option
Variform Gutter Coil finishes out any standard house with an attractive, smooth, seamless appearance. With 2 widths and 2 gauges available, you can find just the right strength for the job.

- Available in 18 Classic Colors
- .027 and .032 Gauges Available
- 11.75” and 11.875” Widths Available
- 350-lb. Roll Standard
Trim Coil

Cuts Clean, Bends Sharp, and Lays Flat

Variform trim coil meets the highest specifications for temper and gauge and is tension-leveled for uniform dimensions and excellent forming performance, thus aiding in straight consistent edges. Our state-of-the-art cleaning and pre-treatment process bonds coatings tightly to the metal, providing superior paint adhesion. Variform’s strict manufacturing guidelines, plus a color selection of over 300 options means your home will be protected and look beautiful for years to come.

- 300 Colors to Choose From
- 3 High-Quality Finishes—Painted, PVC, and DuraPro
- .019 Gauge
- 24” Width Available in 50-Foot Rolls

2-Coat Acrylic

A Cut Above the Rest - With its smooth painted finish, our 2-Coat Acrylic Trim Coil is among the best in the industry. Trim Coil produced by Variform is prepared with an adhesive primer and durable acrylic top coat. This preparation process delivers a superior weathering and stain resistant Trim Coil that measures up to Variform’s dedication to quality products.

PVC Striated

Unique finish - If you are looking for high-quality Trim Coil with a wood grain finish, then Variform’s PVC Striated Trim Coil is what you need. Its thick durable PVC coating helps to protect your Trim Coil from fading. Variform PVC Striated Trim Coil repels air pollutants and water damage, year after year. Choose from a variety of shades to color match or complement your Variform Metal or Vinyl Products.

DuraPro

Extreme Mar Resistance and Stain Protection - DuraPro is one of the highest quality Trim Coils in the industry today with its “tough-as-nails,” mar-resistant surface. Variform worked with BASF Corporation™ to create this highly durable trim coil with a unique satin-textured finish. It’s just the right combination of beauty and strength. Pencil marks and finger prints wipe off saving you valuable work time. The exceptional mar-resistance protection will save you valuable dollars wasted tossing out damaged Trim Coil. It’s a contractor’s dream, one of the best in the business.
